LEADERSHIP & CITIZENSHIP OPPORTUNITIES

Below is a list of potential Five Cardinal Experience Opportunities. This list is subject to change. Please check with the course instructor or co-curricular activity advisor (Card Sponsor) to ensure the course/opportunity continues to meet the criteria necessary to earn a Card.

You are not limited to the opportunities listed below. Many courses, co-curricular activities, research opportunities, non-credit bearing work, and off-campus experiences could serve as a Personalized Cardinal Experience (PCE). Review the application for each Card to determine if an experience may qualify. Each Personalized Cardinal Experience needs to be sponsored by a faculty or staff member who will help you identify how the experience will meet the criteria for earning a Card. A PCE Checklist should be completed with your sponsor prior to participation.

If you participated in a course/activity that you believe meets the criteria for a Cardinal Experience, you may apply retroactively for a Card. To do so, you will need to identify a sponsor and complete an application. If a sponsor is not available, you may submit the application to the Five Cards Council for evaluation.
