QUALIFICATIONS: Master’s degree in Nursing required; doctorate in nursing (PhD or DNP) or related field required for the rank of Assistant or Associate Professor; unencumbered registered nurse license to practice nursing in Ohio. This is a tenure-track position with commensurate expectations for teaching, scholarship and service. The candidate should also possess expertise in the areas of nursing appropriate to the assigned courses; demonstrated ability in teaching, and computer literacy. While candidates are welcome with a variety of nursing backgrounds, clinical experience in either medical-surgical, pediatric, obstetrical or mental health nursing would be a plus. Teaching experience in baccalaureate and graduate nursing programs, experience in curriculum development and evaluation, and experience in online and/or blended education preferred.

WHEN: August 2014

RESPONSIBILITIES: Active participation in the development, implementation, and evaluation of the nursing programs including team teaching, and Departmental committee work. Teaching responsibilities include classroom and clinical instruction in the DNP, MSN, and BSN programs in accordance with the faculty member’s educational preparation and clinical experience; ability to teach evening and weekend classes, as well as daytime classes. Faculty members are expected to be involved in professional and community activities for the purposes of scholarship, self-development and service.

DEPARTMENT: The Department of Nursing, with 17 full-time faculty and 3 teaching staff members, is committed to quality nursing education which fosters critical thinking within the context of a caring framework. Our mission encourages the personal and professional development of faculty, staff and students. An appreciation for diverse perspectives and humane values is central to this mission. Building on a liberal arts education and a strong science foundation, the goal of the Nursing Program is to prepare lifelong learners who are committed to the profession, the community and to meet the changing healthcare needs of society. Otterbein University offers a 4-year BSN program; accelerated ADN to MSN; and MSN programs with focus in family nurse practitioner, clinical nurse leader, nursing anesthesia and nursing service administration; a post-master’s certificate in family nurse practitioner, nurse anesthesia and nursing education and a DNP program. The DNP (Doctor of Nursing Practice) Program graduated its first class in Spring 2013. The DNP, MSN and BSN nursing programs are nationally accredited.
