Otterbein Love Song
Celia Ihrig Grabill and Glen Grant Grabill

In a quiet peaceful village there is one we love so true,
She ever gives a welcome to her friends both old and new.
She stands serene mid tree tops green,
She’s our dear Otterbein.

(Chorus)
Old Otterbein our college, we sing of thee today;
Our memories round thee linger,
in a sweet and mystic way.
O Otterbein, we love thee, our hearts are only thine,
We pledge anew, we will be true, dear Otterbein.

Her halls have their own message of truth and hope and love;
She guides her youths and maidens to the life that looks above.
Her stately tower speaks naught but power,
For our dear Otterbein.
