Graduation Application Process –

- Submit a graduation packet to the Registrar’s Office, 1-2 terms prior to graduation.
- Register for all courses prior to submitting your graduation packet.
- **Graduation packet contains:**
  - Completed Graduation Application
  - Current Degree Evaluation that you print from Self Service Banner. Please conserve paper by printing your evaluation back-to-back.
  - Program Completion Form, if needed.
- If your evaluation contains requirements showing as “NO” for “Not Met,” meet with your advisor. A Program Completion Form will need to be filled out, indicating how missing requirements will be completed. This form is located on the last page of this packet.
- If evaluation indicates all requirements are “YES” for “Met” there is no need to file a Program Completion Form.
- The Registrar’s Office will review your graduation packet and notify you and your advisor via e-mail of your graduation status. This process can take up to 10 weeks.

**Reviewing Degree Evaluation On-Line –**

You may review and print your Degree Evaluation by going on-line to our webpage www.otterbein.edu.

- Enter My O-Zone with your student ID # and PIN.
- Select My Banner
- Click on Student, then on next screen Student Records
- Scroll down midway on this page, click on Degree Evaluation
- A term will automatically fill-in, click Submit
- At the bottom of page, click Generate New Evaluation
- Review your Degree Evaluation, checking for any discrepancies

All completed or in-process program course requirements will reflect that they have been “Met” and have a “YES” in **BLACK** in the left column. The audit assumes you will successfully complete all of the courses in which you are enrolled. A “NO” highlighted in **RED** in the left column will show requirements that are “Not Met.” The missing courses will be highlighted in **BLUE**.

**Avoid Graduation Pitfalls –**

- Register for all courses before completing your Graduation Packet, including Independent Studies and Internships prior to submitting your Graduation Packet
- Course substitutions or waivers need to be submitted to the Registrar by Department Chairs, at your request
- Changes to your degree program should be made with the Registrar, prior to completing a Graduation Packet. Changes may include: catalog, degree, major(s), minor(s) or concentration areas.
- A Transient Course Approval Request must be submitted to the Registrar before taking courses at another institution, other than Columbus State. A course equivalency guide for Columbus State may be found on-line at: www.otterbein.edu/Files/pdf/Registrar/CSCC.pdf.
- Submit outstanding official transcripts from other schools upon completion of each term.
- Changes to your schedules could delay your graduation. Verify changes with your advisor, then generate a new Degree Evaluation to assure all requirements have been MET.
