(This form is for Undergraduate Courses only. Students seeking approval for Graduate courses should consult with their program adviser.)

Please read these instructions carefully. Forms which are not completely filled out will be returned to you.

***Things You Should Know***
- You must be enrolled in the current term at Otterbein and in good standing (2.0 GPA or better) to obtain transient student approval for work at another school. If this is your first term at Otterbein, you must wait until final grades have been issued and an Otterbein GPA established before transient course work will be considered for approval.
- An official transcript for ALL transient course work must be provided by you upon completion of the course, regardless of the grade(s) received. Transcripts are only considered official if they are sent directly from the issuing institution or if they are delivered in a signed sealed envelope which has not been opened. Otterbein University does not accept transcripts which have been issued directly to the student.
- Only courses carrying grades of “C-” or higher will transfer. The grade received will have no effect on your Otterbein GPA.
- All transient transfer credit should be approved PRIOR to registration at the other school. Otterbein University Undergraduate Course Catalog. Make sure you research this information before taking transient coursework
- The school you wish to attend may have requirements or prerequisites which you will need to fulfill. It is your responsibility to determine if such requirements/prerequisites need to be met. You may be required to provide an official Otterbein University transcript prior to acceptance at the other school

Steps for completing this form:
1. Complete ALL information requested below.
2. Attach a course description or syllabus for the course(s) you wish to take. This can be from a printed catalog or an online catalog. This form will be returned if the information is not attached.
3. Submit this form to the Office of the Registrar in Room 27, Towers Hall. If your request is approved, a Transfer Credit Approval Form will be issued to you. Approval by our office guarantees that the course(s) you take will be accepted for transfer to Otterbein providing a grade of “C-” or higher is earned.
