Advising Students Regarding INST Requirements

1. Advising students who are First-Years in 2010-2011

2010-2011: Take the existing INST requirements for first year:
   - INST 100/105/110
   - INST Social Science Elective
   - INST 150
To complete INST requirements on semesters in 2011-2014 take:
   - INST 2200: Reflection and Responsibility Thread
     - Courses include: INST 2201, 2202, 2203, 2204, 2205
   - INST 2400: Natural Foundations Thread
     - Courses include: INST 2401, 2402, 2403, 2404
   - INST 2600: Creativity and Culture Thread
     - Course include: INST 2601, 2602, 2603, 2604, 2605, 2606, 2607, 2608
   - INST 3500/4000: Interdisciplinary Dyad
     - See course catalog for selections

2. Advising students who are SOPHOMORES in 2010-11
   *(provided they have completed the INST first year requirements)*

2010-2011: Take the existing INST requirements for sophomores
   - INST 270
   - INST 250/260
To complete INST requirements on semesters in 2011-13 take:
   - INST 2400: Natural Foundations Thread
     - Courses include: INST 2401, 2402, 2403, 2404
   - INST 2600: Creativity and Culture Thread
     - Course include: INST 2601, 2602, 2603, 2604, 2605, 2606, 2607, 2608
   - INST 3500/4000: Interdisciplinary Dyad
     - See course catalog for selections
3. Advising students who are JUNIORS in 2010-11
(provided they have completed the INST first year and sophomore requirements)

2010-2011: Take the existing INST requirements for juniors
INST 300

Recommend Taking 2 of 3:
INST Science Elective
INST Arts Elective
INST Global Elective

To complete INST requirements on semesters in 2011-12:

Science Elective: 1) If completed one science elective already, no more needed
                 2) If no INST science electives completed, take INST 2400-Natural Foundations

Arts Elective: If not completed, take INST 2600 Creativity and Culture

Global Perspectives Elective: If not completed, take one course from the following options: INST 3915: Human Nature and World Religions (INST and the Religion/Philosophy Dept. are working to hold over several sections of existing INST 380 as an experimental course next year), RELG 1000, RELG 2700, RELG 2900, RELG 3400, RELG 3500, RELG 3600 (the existing subs for INST 380).

See Frequently Asked Questions for students who have deviated from these sample plans.
