

**OTTERBEIN**  
UNIVERSITY  
School of Arts & Sciences

**DEPARTMENT OF BIOLOGY & EARTH SCIENCE**  
**Assistant Professor (Non Tenure-Track)**

QUALIFICATIONS: Terminal degree (MD, DO, or PhD); with expertise and teaching experience in Anatomy, Physiology and Pathophysiology.

WHEN: Beginning Fall 2017.

RESPONSIBILITIES: Teach a combination of lecture and laboratory sections of Anatomy and Physiology 1 and 2; Basic Pathophysiology; and a science course for non-majors in our Integrative Studies program.

DEPARTMENT: The Department of Biology & Earth Science, composed of eleven full-time and five part-time faculty members, prepares students for careers in biology, plant science, molecular biology, environmental science, earth science, and various medical fields. The department offers majors in Biology, Biochemistry and Molecular Biology, Environmental Science, Sustainability Studies, and Zoo and Conservation Science and minors in Biology, Earth Science and Environmental Studies.

OTTERBEIN UNIVERSITY: Otterbein University is a small private university nationally-recognized for its intentional blending of liberal arts and professional studies through its renowned Integrative Studies curriculum and its commitments to experiential learning and community engagement. Otterbein is a recipient of the 2015 Carnegie Community Service Classification; a finalist for the 2014 President's Award for Economic Opportunity Community Service; and has been honored With Distinction by the President's Higher Education Community Service Honor Roll since the list's inception in 2006. It stands in its category's top 10 percent in U.S. News & World Report's guide to "America's Best Colleges." Otterbein offers more than 70 undergraduate majors; seven master's programs; and a doctorate in nursing practice (DNP). In addition, Otterbein is home to the science, technology, engineering, arts and math (STEAM) Innovation Center, a unique resource that combines academics with the business and manufacturing needs of our community.

WHERE: Our picturesque campus is perfectly situated in Westerville, Ohio, America's fifth friendliest town (Forbes), just minutes from Columbus, the 15th largest city in the country. Otterbein's commitment to opportunity started with its founding in 1847 as one of the nation's first universities to welcome women and persons of color to its community of teachers and learners, which now numbers 2,400 undergraduate and 400 graduate students. Otterbein remains committed to its relationship with the United Methodist Church and its spirit of inclusion, and welcomes people of all backgrounds to Otterbein's Model Community.
