

24th Annual Cardinal Migration

May 7-10, 2018

York County Pennsylvania, is the Factory Tour Capital of the World, offering a glimpse behind the scenes of the making of some of America's favorite products. York County is a great place to explore the rich history of Pennsylvania and the United States. The first capital of the U.S., York provides a number of unique museums and historic sites, including a replica of the Colonial Courthouse where the Continental Congress met to ratify the Articles of Confederation during their nine-month stay in the region.

Gettysburg National Battlefield, site of a turning point in the Civil War, now part of Gettysburg National Military Park, is another amazing historical site. The park also includes the Gettysburg Museum and Visitor Center, displaying Civil War artifacts, and the Gettysburg National Cemetery, where a memorial marks the site of Abraham Lincoln's 1863 Gettysburg Address.
